Morristown's Annual SOAP BOX DERBY

JULY 31, 2010

This will be the 61st year of the Morristown Cub Scouts racing in the annual Soap Box Derby and the 11th year for the Morristown Girl Scouts. The racers use official Soap Box Derby stock racing cars that are identical (other than paint and decals) to the other cars of that race. The races are double elimination.

To have a successful day of racing, **we need your help** to assist in covering the costs of our Scouts racing.

Please help us by choosing a way to sponsor our Scouts and then come and enjoy a day of watching our Scouts racing down the hill. You will be able to see how your sponsorship/donation has helped make a memory for our Scouts, their families, your business and the community.
